

Opening New Pathways for Healthcare Policy

The Garner Group is a consulting and advocacy firm specializing in public and private health policy.

Who We Are

Michael Garner, CEO, and Lisa Rawlins, SVP, hold over 50 years of experience in developing and implementing policy solutions. We are accomplished advocates and analysts on health, environmental, and educational policy issues in both the private and public sectors.

What We Do

Analyze

We analyze the political and regulatory environment in which our clients operate.

Strategize

We develop unique strategies for creating “policy windows,” offering solutions for policy issues affecting our clients.

Advocate

We create advocacy plans to generate awareness and discussion among policymakers and other stakeholders.

Educate

We provide political and regulatory education to clients on legislative session timelines, rules and procedures, and bill tracking for policy issues affecting our clients.

Engage

We coordinate and provide direct engagement with policymakers, advocacy groups, physician groups, media, and other groups on behalf of our clients. We also provide access to policymakers through a unique network of lobbying firms across the United States.
